Greetings!

If you are considering a corporate tournament or a friends and family get-together this year, let us convince you why you should choose Pakenham Highlands Golf Club. Besides having a great day at one of the most beautiful landscapes in the Ottawa Valley, our tournament coordinators offer experience, attention to every request and a commitment to surpass customer expectations.

Themed events are our specialty. Imagine the day with a Mexican, Caribbean or Italian flair! Have an idea? Just let our professional event staff know. We'll see to it that your idea becomes a reality. Finish the festivities with your meal and banquet in our marquee tent that overlooks the 18th green. Choose from one of our standard menus or let's work together to customize your meal to suit your theme!

Pakenham is designed with three beautiful and unique nine-hole courses so if you don't feel that 18 holes are in the future then plan a shorter day of golf. That gives you more time together to talk about your superb game!
