

Matchplay Rules 2019

- 1) Ladies play from the silver tees, men from gold tees. Matches **must** be played by date on the Match Play Bracket Sheet.
- 2) Handicap allowance:
 - a) 100% of *Course Handicap*
 - b) Before teeing off, determine your current *Handicap Factor*;
 - c) Use the handicap sheets in the binder to determine your *Course Handicap* for the tees and 9's you are playing. (Binder is in the Pro-Shop)
 - d) Determine the difference in *Course Handicap allowances* between the two players and apply them to the scorecard.

e.g. Player A has a handicap allowance of 9,
Player B has a handicap allowance of 22.
Player B receives 13 strokes, 7 on front 9 and 6 on back 9.
- 3) If the match is tied after 18 holes, continue playing to determine a winner, although continuation of the match may be rescheduled, if necessary, upon agreement by both players. Handicap allowances start again on extra holes.
- 4) Record result on board.
