

COVID-19 POWER CART POLICY

As adopted by the National Golf Course Owners Association 2020

ONLY ONE PERSON PER CART UNLESS A DIVIDER IS USED (Single Rider Surcharge Applies)
ONLY 2 POWER CARTS PER FOURSOME

Two players must walk but if cart inventory allows we can extent to allow 3 or 4 carts per group

During this difficult time, we must enforce this cart policy to protect our guests and staff. Our course will be staff monitored and any person or group found not respecting our cart policy will be asked to immediately leave the course with no refund of fees provided. The Club and Management will make every effort possible to accommodate our guests and the Men's & Women's Day Golf Leagues by allowing additional carts per foursome provided inventory will allow. We need to adapt and evolve around the first few opening days of golf. We are open to suggestions. Our club, like many golf clubs, have a limited number of carts available to rent; however, we will do our best where we can. We appreciate your cooperation in keeping our golf community safe.
